

## 2009 Call for Nominations to the GAS Board of Directors

The Glass Art Society Board of Directors encourages all members to send in nominations of people you would like to see serve on the GAS Board. GAS by-laws state that the Board of Directors must be comprised of 75% practicing artists. Your recommendations will be carefully considered by the Nominations Committee in order to present a well-rounded slate to the GAS Board for approval. After further consideration, the GAS Board will then create a ballot to be voted on by the entire GAS membership.

Nominate up to three people you believe would be willing to serve on the GAS Board, along with a brief written explanation of who the person is and why you think this person is qualified.

Currently there are two open three- year terms to be filled as well as a one year position for the student representative (*separate application process, please see the GAS website for more info: [www.glassart.org](http://www.glassart.org)*).

---
